The Healer

Psalms 41:3

*The Lord sustains them on their sickbed
and restores them from their bed of illness.*

Recently we have had some of our brothers and sisters sick, in the hospital and some have gone in to be with the Lord.

We have good news. Our Lord is still in the business of healing. Sometimes he uses Doctors, sometimes nurses, sometimes others, where we understand it. Other times He miraculously heals, however He does it, He is still healing.

We can take heart in our praying, for He will never stop healing until we see Him face to face, permanently healed.

In Christ,

Pastor Daniel
